# MOVE

Design by Gediminas Juška

“

*Move! is a slogan of the modern man that represents the victory of mobility against stagnation, sloth and succumbing to negativity. A true modern leader is driven and open to innovation, a cosmopolitan dictating healthy lifestyle and a teacher who shapes his or her environment with dignity.”*

Gediminas Juška

## Your best MOVE!

It combines the best in ergonomics and cutting-edge technology and is designed for modern active leaders. The desk's height can be adjusted between 735 mm and 1300 mm, this allows you to stay on the move and be active even at your desk.

## EXECUTIVE FURNITURE

Minimalism is the new luxury

Clean, elegant lines, smooth transitions and subtle combinations of materials are guaranteed to make a strong visual impact in any office. HPL Fenix finish, natural oak, ash or walnut veneer and polished stainless steel surfaces form a harmonious whole and create a sense of subtle luxury.

## Declutter your workplace

The hidden wires can be accessed by opening an elegant minimalist lid. Wires and cables are routed through a subtle triangular-shaped hole with an original cover in a colour that matches that of the desktop or natural wood. MOVE desk also has an in-built best-in-class Qi wireless charger (15W) for your smart devices.

MOVE

## Everything you need

Besides fixed-height or height-adjustable desks, MOVE executive furniture system also includes storage solutions to keep your office essentials and personal belongings close at hand. The desk cabinet drawers with special inserts will ensure a well-organised workspace.

Modern desk for  
an active leader

MOTION Executive is a system of electric height adjustable desks, designed for a workplace of a dynamic leader. This desk is a combination of modern elegance and thoughtful functionality.

276

Modern sophistication

Panel legs hide the space under the desk giving more visual privacy. The feeling of elegance and sophistication is strengthened by the huge size of the top, which is designed for comfortable work. MOTION Executive can have even 36 colour combinations and allows you to create a desk which will suit your interior and personality best.

## Easy to use

You can adjust the height of the desk by simply pressing the button or with a remote control application on your smart device. You can save the most comfortable positions and get a reminder to change your body position: to stand up or sit down.

700 - 1200 mm

## Reveal your style and individuality

According to your needs, you can choose from two MOTION Executive models: Executive desk made of veneer is designed for those who appreciate naturalness. The top has a subtly chamfered edge, while side panel wraps the desk and makes it look more united and modern. MOTION Executive desk with melamine finish does not have a side panel and looks more simple and modest.

## Obstacle avoidance system

MOTION Executive desk is integrated with a sensitive gyroscope-based anti-collision unit that senses both hard and soft obstacles.

279

## Functional storing

The range consists of several pedestals of different sizes and drawers with or without metal file bars. An easily reachable drawer can be situated in the upper corner of the desk, it is convenient for storing your valuables and wcan be locked for safety.

The Italian design of the tables is based on the harmony of straight and curved lines. The elegant three-part curved steel legs are crafted using advanced technology and are the ultimate distinctive feature of the system.

## Wide range

PLANA tables come with an option of fixed or separate pedestals and many other different storage solutions, such as wardrobes or open shelf units. Modesty panels can be added for a higher sense of privacy, while a table extension can create a space to have meetings right at your desk.

283

## Quality in the details

The tables come with soft closing grommet, beautifully framed in metal and concealing the box for wire management. PLANA storage features subtle accents such as different panel thickness combinations, lowered top panel.

## Two thicknesses

The tables are available in two different desktop thicknesses. The solid 120mm desktop gives the table an air of sophistication and will become the focal point of any office. The 25mm desktop is a universal choice for minimalistic offices, its pleasingly simple design will accentuate the unique structure of the legs.

286

## Purity and elegance

The essential parts of AIR Executive is its solid natural wood veneer table top and steel legs that ensure not only the elegant feel of the table, but also its stability. The integrated drawers are lined with high quality natural leather.

287

## Hidden wiring

Steel table legs are designed in a way that hides all the cable wiring and allows you to keep all the unnecessary items out of your main workspace.
