ERGONOMY

Kastel progetta e produce sedute che rispettano le esigenze ed i limiti dell'uomo, garantendo l'integrità fisica e psicologica che ne potenzia le capacità operative. L'obiettivo è quello di accrescere l'efficienza dell'utente e di contribuire al suo benessere psicofisico.

Kastel designs and manufactures seating that meet the necessities and limitations of people, ensuring the physical and psychological integrity that enhances the operational capabilities. The goal is to increase user efficiency and to contribute to his psychophysical well-being.
